

About Your Bill

- 1Name and address to which the bill is to be mailed.
- 2Your account number. Please use this number if you call or write about your account.
- 3The electric account billing cycle.
- 4Meter reading dates.
- 5Number of days in the billing period.
- 6Date the billing statement was prepared.
- 7Main headquarters office.
- 7AOther office locations.
- 8The type of unit measurement for electric power. KW refers to kilowatts; KWH refers to kilowatt-hours.
- 9Rate classification. Example: Rate 23S indicates an all electric residence within a municipal boundary. The "S" designates the service is within the Snowmass surcharge area.
- 10Present meter reading.
- 11Previous meter reading.
- 12Multiplier. Most meters have a multiplier of "1". Actual kilowatt-hour usage is determined by multiplying the meter reading difference (between present and previous values) by the multiplier.
- 13Kilowatt-hours used during the billing period ("est." means that usage is estimated).
- 14Brief description of charges.
- 15This column reflects account activity since your last bill. It indicates outstanding balances, payments, current charges, adjustments, special surcharges, security light charges, and tax.
- 16Your meter number.
- 17Physical address or description.
- 18Refers to the service location number used in the mapping protocol for Holy Cross Energy's service area map.
- 19The payment due date.
- 20The total amount due.
