List of HCE Approved Cold Climate Air Source Heat Pumps

General Information

DISCLAIMER- Some of the performance values reported as part of the Cold-Climate ASHP Specification are NOT derived from industry standard test procedures or third-party tested/verified (i.e. performance values at 5°F). Performance in some instances may be represented by manufacturer's engineering data.

Products in grey are the ones not found in the AHRI database as of June 12, 2017.

HOLY CROSS ENERGY

A Touchstone Energy® Cooperative 

List of HCE Approved Cold Climate Air Source Heat Pumps

General Information

DISCLAIMER- Some of the performance values reported as part of the Cold-Climate ASHP Specification are NOT derived from industry standard test procedures or third-party tested/verified (i.e. performance values at 5°F). Performance in some instances may be represented by manufacturer's engineering data.

Products in grey are the ones not found in the AHRI database as of June 12, 2017.
